

The Edward S. Rogers Sr. Department
of Electrical & Computer Engineering
UNIVERSITY OF TORONTO

NSERC USRA Summer Award Letter

Personal & Confidential

April 20, 2020

Eric Keilty
c/o Division of Engineering Science
University of Toronto

Dear Mr. Keilty,

Congratulations on having been awarded an **NSERC Undergraduate Student Research Award (USRA)** with the Edward S. Rogers Sr. Department of Electrical and Computer Engineering under the supervision of Professor Rose. **As a condition of graduation, students are required to obtain a minimum of 600 hours practical experience. Please note that the hours worked during this summer research fellowship should be used towards meeting this condition.**

Your starting date will be May 4, 2020 and you will complete your term with us on August 21, 2020, a total of 16 weeks. The total value of the award of **\$6000** will be paid by direct deposit: \$1500 per month for 4 months. It includes the NSERC amount, as well as a monthly top up (see payment breakdown below) and will not be subject to withholding by the University for income tax, Canada Pension Plan, Employment Insurance or other similar payments.

NSERC Amount ($\$1125 \times 4$ months)	\$4500
Top Up Amount ($\$375 \times 4$ months)	<u>\$1500</u>
Total USRA (NSERC + Top Up Combined)	\$6000

In order to process your award payment, please complete the [Electronic Funds Transfer form](#).

To acknowledge the terms and to accept this award, please sign and date below, and return the signed copy, along with your completed Electronic Funds Transfer form, to Lina McDonald (lina.mcdonald@utoronto.ca) by April 28, 2020.

I hope you will find the summer research work both interesting and rewarding.

Yours Sincerely,

Deepa Kundur,
Professor and Chair
